

How to set up your CITI account

Once you have created your account with CITI and affiliated with Kennesaw State University [KSU], please ensure that you have enrolled in the proper course. Please contact the Office of Research Compliance at researchcomp@kennesaw.edu with any questions.

1. Go to <https://about.citiprogram.org/en/homepage/>. ***If you already have a login, skip to item 22.***
2. Click on the Register button on the top right of the page.
3. Enter “**Kennesaw State University**” in the “**Select Your Organization Affiliation**” search box.
4. Click the box to “**Agree to the Terms of Service**”.
5. Click “**Continue to Step 2**”.

11. Please enter your Country of Residence.
12. Click “**Continue to Step 5**”.
13. KSU’s Office of Research Compliance does not require that you maintain CE Credits; however, if you choose “Yes” as your answer you will have the ability to request and personally pay for those credits later if you decide you need them. Choosing “Yes” does not obligate you in any way; it only makes them accessible to you.
14. You may choose to allow CITI Program to contact you to participate in a research survey, but a “Yes” answer is not required by KSU.
15. Click “**Continue to Step 6**”.
16. For “Institutional email address” **enter your official KSU email address, [NetID]@kennesaw.edu or [NetID]@students.kennesaw.edu**. Do not use any aliases you may have set up for your KSU email. This address must match our user database for the Cayuse Research Suite to sync your training with Cayuse.
17. Fill in the required answer to “Highest degree.”
18. Select the role that best describes you under “Primary research role.”
19. Click the drop-down box for “Which course do you plan to take first?” and select the appropriate course. You can add courses as needed after you have created your profile.
20. Click “**Continue to Step 7**”.

21. You will be taken to the questionnaire. Select the courses you wish to add and then click **"Submit."** Depending on the courses chosen, you will see follow-up questions. After the questionnaire is complete you will see your list of courses.
