This publication includes deadline dates for the month of May 2018 and late announcements for the months of April 2018 and March 2018. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information. Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.

Program: Mathematics Travel and Mentoring Grants for Women Researchers
Agency: Association for Women in Mathematics
Next Deadline: May 01, 2018
Travel grants for women mathematics researchers and educators (annual deadlines: 2/1, 5/1, 10/1) enable women to attend conferences in fields supported by the NSF’s Mathematical Sciences Division. Up to $2,300 is available for domestic travel and $3,500 for foreign travel. Mathematics mentoring travel grants (annual deadline: 2/1) provide up to seven awards of up to $5,000 each to help junior women researchers develop long-term working relationships with senior mathematicians. Other awards may be offered. See http://www.awm-math.org/travelgrants.html Email: jennifer@awm-math.org

Program: Jean Dreyfus Lectureship for Undergraduate Institutions
Agency: Dreyfus Foundation
Next Deadline: May 17, 2018
Supports proposals to bring a leading researcher to a primarily undergraduate institution to give a series of lectures in the chemical sciences. Lecturer is expected to substantially interact with undergraduate students and faculty over the period of the visit. Will provide funds to host the speaker and support summer research opportunities for two undergraduate students. Eligible departments grant a BS or MS degree in chemistry, but not a Ph.D. Award total is $18,500. Limited submission: one application per institution.
