March 12, 2018

This publication includes deadline dates for the month of June 2018 and late announcements for the months of May 2018 and April 2018. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.

**Program:** AMS Subventions for Publications, Awards, and Research and Travel Grants  
**Agency:** American Musicological Society  
**Next Deadline:** Apr 02, 2018  
Supports individuals with expenses involved in the publication of works of musical scholarship. Goal is to defray costs not covered by publishers. Proposals that utilize newer technologies are encouraged. AMS Subventions for Publications awards range from $500 to $2,500 each (annual deadline: 2/16, 8/17). AMS 75 Subventions provide up to $5,000 for first books from early career scholars (annual deadlines: 2/15, 8/15). Various awards for outstanding research and publications in music (annual deadlines: 5/1, 8/15). Also provides small Travel and Research Grants (annual deadlines: 4/2, 6/1, 8/15). See http://www.ams-net.org/index.php for details. Email: rjudd@ams-net.org

**Program:** Fellowship Programs  
**Agency:** Hagley Museum and Library  
**Next Deadline:** Jun 30, 2018  
Provides fellowships to use Hagley's collections in American economic, business, industrial and technological history. Hagley Exploratory Research Grants ($400) support one-week visits by scholars who need an exploratory review of the collection. Henry Berlin du Pont Fellowships support access to Hagley's research collections for as long as needed with a stipend of $6,500 over four years. Other fellowships available. Annual deadlines: 3/31, 6/30, 10/31. Also available: Dissertation Fellowships (11/15). See http://www.hagley.org/library-grants for details. Email: clockman@Hagley.org

**Program:** Grants Program (Global Education/International Understanding)  
**Agency:** Longview Foundation  
**Next Deadline:** Jun 07, 2018  
Foundation makes grants to promote learning about world regions, cultures, international affairs and global issues in K-12 schools in the United States. Funding priorities include: State Networks (invitation only) and Internationalizing Teacher Preparation. Longview's grants are typically between $15,000 and $25,000. Deadlines refer to required LOIs. See http://www.longviewfdn.org/applying/dates-deadlines/ for details. Email: globaled@longviewfdn.org

**Program:** National Historic Publications & Records Commission  
**Agency:** National Archives and Records Administration  
**Next Deadline:** Jun 13, 2018  
Supports archival projects, editing projects, educational programs, fellowships, publication grants, and projects dealing with electronic records including digitization. All projects must help to identify, preserve, publish, and increase public access to non-federal sources that document the history of the U.S. Competitions include: Access to Historical Records: Archival Projects (10/5/17) and Major Initiatives (1/18/18) required preproposal), and Publishing Historical Records in Documentary Editions (6/13/18) and 10/4/18), Archives Leadership Institute (12/7/17) and Public Engagement with Historic Records (10/5/17). See http://www.archives.gov/nhprc/announcement/ for details. Email: jeff.DelaConcepcion@nara.gov

202/357-5022
**Program:** State & Regional Partners  
**Agency:** National Endowment for the Arts  
**Next Deadline:** Jun 2018  
NEA supports state arts agencies throughout the U.S. to plan, evaluate, make decisions, & act as leaders in support of the arts. Forty percent of NEA's appropriation goes to these agencies. They also support regional partnerships for planning, evaluation, access, & arts touring series. Limited funding is available for national services provided by membership organizations of state arts agencies & regional arts organizations. See https://www.arts.gov/partners/state-regional for contact information on the appropriate agency.

---

**Program:** Common Heritage  
**Agency:** National Endowment for the Humanities  
**Next Deadline:** May 31, 2018  
Supports day-long events devoted to the digitization of a wide range of community cultural heritage materials. Events must be accompanied by public programming that explores these materials as a window on a community's history and culture. The public programming may occur before, on, and/or after the digitization event. Grants of up to $12,000 are available. Applications encouraged from small to medium sized institutions with no NEH experience. Partnerships encouraged. See http://www.neh.gov/grants/preservation/common-heritage for details. Email: preservation@neh.gov (digitization questions) or publicpgms@neh.gov (public program questions).

---

**Program:** Digital Humanities Advancement Grants  
**Agency:** National Endowment for the Humanities  
**Next Deadline:** Jun 05, 2018  
Supports development and implementation of digital initiatives in all areas of the humanities. Grants may involve: research that brings new digital approaches to the humanities; new digital modes of publication; exploration of digital approaches to preserve, archive, and make accessible traditional and "new media" resources in the humanities; new digital tools; and programs addressing emerging digital technologies in education settings. Replaces Digital Humanities Startup and Implementation Grants. Choose between Level I (up to $50,000), Level II (up to $100,000), and Level III awards (up to $325,000 with optional match up to $50,000). See http://tinyurl.com/j7vhj9 Email: odh@neh.gov

---

**Program:** Digital Projects for the Public  
**Agency:** National Endowment for the Humanities  
**Next Deadline:** Jun 06, 2018  
Supports projects such as websites, mobile applications, games, and virtual environments that significantly contribute to the public's engagement with humanities ideas. Projects must be analytical and deeply grounded in humanities scholarship. Awards last one to three years and offer up to $30,000 for Discovery grants, up to $100,000 for Prototyping grants or up to $400,000 for Production grants. Awardees may receive funds outright or as matching funds or a combination. See http://www.neh.gov/grants/public/digital-projects-the-public for details. Email: publicpgms@neh.gov

**Contact:** Division of Public Programs  
202/606-8269
Program: Humanities Initiatives at Community Colleges
Agency: National Endowment for the Humanities
Next Deadline: Jun 28, 2018
Provides grants of up to $100,000 to strengthen the teaching and study of a core topic or set of themes in the humanities within community colleges and post-secondary two-year institutions. Application eligibility is limited to non-profit community colleges and post-secondary two-year institutions but collaboration with four-year colleges and universities is welcomed. See http://www.neh.gov/grants/education/humanities-initiatives-community-colleges for details. Email hi@neh.gov

Contact: Program Staff
Division of Education Programs
202/606-8471

Program: Preservation and Access: Research and Development
Agency: National Endowment for the Humanities
Next Deadline: Jun 07, 2018
Supports projects that address major challenges in preserving or providing access to humanities collections and resources. These challenges include finding ways to preserve materials of critical importance to the nation’s cultural heritage from fragile artifacts and manuscripts to analog recordings and digital assets, and to develop advanced modes of searching, discovering, and using such materials. Supports grants for Planning and Basic Research (up to $75,000) and Advanced Implementation (up to $350,000). See http://www.neh.gov/grants/preservation/research-and-development for details. Email: preservation@neh.gov

Contact: Division of Preservation and Access
202/606-8570

Program: Humanities Initiatives at HBCUs, HSIs and TCUs
Agency: National Endowment for the Humanities
Next Deadline: Jun 26, 2018
Program seeks to strengthen and enrich humanities education and scholarship at the three types of presidentially-designated institutions: HBCUs, Hispanic-Serving Institutions, and Tribal Colleges and Universities. These grants may be used to enhance the humanities content of existing programs, develop new programs, or lay the foundation for more extensive endeavors in the future. Each project must be organized around a core topic or set of themes. New guidelines will be posted two months before the deadline. Grants are for up to $100,000. Regional or multi-institutional projects are encouraged. No cost sharing required. See http://www.neh.gov/grants for details. Email: rboggs@neh.gov

CFDA Number:
Contact: Rebecca Boggs, Senior Program Officer
202/606-8398

Program: National Trust Preservation Fund
Agency: National Trust for Historic Preservation
Next Deadline: Jun 01, 2018
Provides grants ranging from $2,500-$5,000 to initiate preservation planning and education projects. Funds may be used to obtain professional expertise in areas such as historic preservation, architecture, archeology, engineering, preservation planning, land-use planning, fundraising, organizational development, and law, as well as preservation education activities to educate the public. Intervention and emergency funds are also available throughout the year. One to one match is required. Annual deadlines: 2/1, 6/1, 10/1. See http://forum.savingplaces.org/build/find-funding/grant-seekers/preservation-funds for details. Email: grants@savingplaces.org

202/588-6000

Monday, March 12, 2018
Program: International Sports Programming Initiative
Agency: U.S. Department of State
Next Deadline: Apr 30, 2018
Supports up to three two-way exchange programs between U.S. IHEs and foreign institutions to enhance and improve the infrastructure of youth sports programs in select countries around the world. The focus of all programs must be on both male and female youth and/or their coaches/sports administrators. The theme is Sport for Social Change. Programs designed to train elite athletes will not be considered. Limited submission: one application per institution. **Program:** Grant Programs

**Agency:** Herb Block Foundation

**Next Deadline:** Jun 05, 2018

Foundation supports the art of editorial cartooning and makes three types of national grants: Defending Basic Freedoms (10/4/18) supports projects that safeguard the freedoms of the Bill of Rights and prevent discrimination. Encouraging Citizen Involvement (6/5/18) seeks to ensure a responsible, responsive democratic government through citizen involvement. Awards range from $5,000-$25,000. Deadlines refer to required LOIs. Also offers Pathways Out of Poverty for DC (2/7/18) area applicants only and various scholarships. See http://www.herbblockfoundation.org/programs Email: info@herbblock.org

**CFDA Number:** N/A

**Contact:** Program Officer 202/223-8801

---

**Program:** HACU National Internship Program (HNIP)

**Agency:** Hispanic Association of Colleges and Universities

**Next Deadline:** Jun 08, 2018

Supports graduate and undergraduate students to participate in fall, spring, or summer 10- and 15 -week internship programs at federal agencies and private corporations across the country. A 3.0 GPA is required. Deadlines vary for Spring semester (10/27/18); Summer semester (3/16/18) and Fall semester (6/8/18). U.S. Intelligence Community internships must apply at October Deadline. Some federal agencies, such as the CIA, may require a background check for security clearance and have an earlier deadline. See http://www.hacu.net/hacu/HNIP.asp for details. Email: jonathan.santeliz@hacu.net

**CFDA Number:** N/A

**Contact:** Jonathan Santeliz, HNIP Executive Director (ext.102) 202/467-0893

---

**Program:** Education Policy Fellowship Program

**Agency:** Institute for Educational Leadership

**Next Deadline:** Jun 01, 2018

Prepares mid-level leaders in public and private organizations for greater responsibility in creating/implementing sound public policy in education/related fields. The aim is to help fellows develop broader intellectual horizons, personal maturity and conceptual sophistication about leadership, public policy and professional networking. Events of national scope are combined with activities specific to 12 state sites. Annual deadline: applications accepted through late summer. Funds for program come through applicant's employer. Other programs available (June deadline is for global EPFP). See http://iel.org/educational-leadership Email: wilcoxs@iel.org

**CFDA Number:** N/A

**Contact:** Stefani Wilcoxs, Program Assistant, Leadership Programs (ext. 135) 202/822-8405

---

**Program:** Grants Program

**Agency:** Kellogg (W.K.) Foundation

**Next Deadline:** Jun 01, 2018

Giving focused on supporting project themes of educated kids, healthy kids, secure families, racial equity, and civic engagement. Funds nationally but high priority is given to projects in Michigan, Mississippi and New Mexico. Annual deadline: applications accepted anytime. See https://wrm.wkkf.org/uWebRequestManager/UI/Application.aspx?tid=24bf1841-487f-4971-b7a7-96bd78992f62&LanguageID=0 for details. Email: conciergedesk@wkkf.org

**CFDA Number:** N/A

**Contact:** Program Office 269/969-2329
**Program:** NEA Foundation Grants  
**Agency:** National Education Association Foundation  
**Next Deadline:** Jun 01, 2018  
Provides grants to improve academic achievement of students in U.S. public schools and public higher education institutions in any subject areas. Global Achievement Grants supports the development and integration of global competencies into their daily classroom instruction. Student Achievement Grants (up to $5,000) support initiatives to improve academic achievement. Learning and Leadership Grants support high-quality professional development--$2,000 for individuals and $5,000 for groups. Applicants must be NEA members. Annual deadlines: 2/5 (Global Learning Fellowship); 2/1, 6/1 and 10/15 (Student Achievement); and 2/1, 6/1 and 10/15 (Learning & Leadership). See http://www.neafoundation.org/pages/grants-to-educators/ for details. Email: jgraytock@nea.org

----------------------------------------

**Program:** Humanities Grants  
**Agency:** State Humanities Councils  
**Next Deadline:** Jun 2018  
State humanities councils are nonprofit organizations that operate in all fifty states. They support regional humanities projects aimed at increasing critical thinking, encouraging community involvement, and building connections between diverse community groups. Often award provides for public program development, curriculum development, planning, conferences, technical assistance, individual research support, and special projects, as well as seed grants. Do not normally fund equipment purchase or operating budgets. Deadlines vary by state. See http://www.neh.gov/whoweareas/statecouncils.html for details and state contact information.

**CFDA Number:**  
**Contact:** Contact information varies by state  
----------------------------------------

**Program:** Children, Youth & Families at Risk (CYFAR) Sustainable Community Projects  
**Agency:** U.S. Department of Agriculture  
**Next Deadline:** Apr 09, 2018  
Supports projects to improve the quality and quantity of comprehensive community-based programs for at-risk children, youth, and families. Program supports land-grant and Cooperative Extension Systems so that, in collaboration with other organizations, they can develop and deliver educational programs that equip youth who are at risk for not meeting basic human needs with the skills they need to lead positive, productive, and contributing lives. Eligibility limited to 1890 and 1862 Land Grant institutions, but others may collaborate. Limited submission: only one application per institution. See http://nifa.usda.gov/funding-opportunity/children-youth-and-families-risk-cyfar-sustainable-community-projects for details. Email: bwilliams@nifa.usda.gov

**Contact:** Eddie Moat, Program Officer  
OOI  
202/453-7060  
----------------------------------------
Program: Comprehensive School Safety Initiative
Agency: U.S. Department of Justice
Next Deadline: May 07, 2018
Supports state and local education agencies partnering with highly qualified researchers and research organizations to test whether an intervention (such as additional personnel, programs, policies, or activities) will increase understanding of what improves school safety. The research partner is expected to engage in independent research and evaluation activities to rigorously examine various facets of specific school safety interventions. See http://www.nij.gov/funding/Pages/current.aspx for details. Email: grants@ncjrs.gov
CFDA Number: 16.560
Contact: Program Office NJJ 800/851-3420

Program: W.E.B. Du Bois Fellowship Program
Agency: U.S. Department of Justice
Next Deadline: Apr 30, 2018
Supports quantitative and qualitative research that furthers the Department’s mission by advancing knowledge regarding the intersections of race, crime, violence, and the administration of justice within the United States. Advanced researchers may apply for 36-month grants, with funding up to $500,000 for research and mentoring less-experienced researchers. Early career researchers may apply for 24-month grants, with funding up to $250,000 for research. See https://www.nij.gov/funding/Pages/current.aspx for details. Email: grants@ncjrs.gov
CFDA Number: 16.566
Contact: Program Staff NJJ 8 800/851-3420

Program: Research and Evaluation on Victims of Crime
Agency: U.S. Department of Justice
Next Deadline: May 04, 2018
Funds multiple projects evaluating programs and models related to technology-based victim services, housing and shelters for victims of crime, and legal assistance for victims of crime. The program aims to provide objective and independent knowledge, and validated tools, programs, and policies to reduce violence and advance effective services for victims. Approximately $3 million is available for multiple awards to support projects lasting up to three years. See http://www.nij.gov/funding/Pages/current.aspx for details. Email: grants@ncjrs.gov
CFDA Number: 16.560
Contact: NCJRS Response Center 800/851-3420

Program: Early Care and Education Research Scholars: Child Care Research
Agency: Administration for Children and Families
Next Deadline: Apr 02, 2018
The program supports dissertation research on child care policy issues. These grants are meant to build capacity in the research field to focus research on questions that have direct implications for child care policy decision-making and program administration, and to foster mentoring relationships between faculty members and high-quality doctoral students. Optional letters of intent are due 3/1/18. See https://ami.grantsolutions.gov/ for details. Email: ChildCareScholars@icfi.com
CFDA Number: 93.575
Contact: Ann Rivera, Program Officer OPRE 877/350-5913
Program: Early Care and Education Research Scholars: Head Start Graduate Student Research
Agency: Administration for Children and Families
Next Deadline: Apr 02, 2018
The program supports dissertation research by advanced graduate students who are working in partnership with Head Start programs and with faculty mentors. Competitive applicants will demonstrate a collaborative partnership with their program partners, and pursue research questions that directly inform local, state, or federal policy relevant to multiple early care and education practices. Approximately $150,000 is available for six awards. Optional letters of intent are due 3/1/18. See https://ami.grantsolutions.gov/ for details. Email: HSGraduateResearchReviews@icfi.com
CFDA Number: 93.600
Contact: Wendy DeCourcey, Program Officer OPRE 877/350-5913

Program: AHRQ Small Research Grant Program
Agency: Agency for Healthcare Research and Quality
Next Deadline: Jun 16, 2018
This FOA encourages Small Research Grant (R03) applications, and expresses AHRQ priority areas of interest for ongoing small research projects. The R03 grant mechanism supports different types of health services research projects including pilot and feasibility studies; secondary analysis of existing data; small, self-contained research projects; development of research methodology; and development of new research technology. Annual deadlines: 2/16, 6/16, 10/16. Program expires 7/17/18. See http://grants.nih.gov/grants/guide/pa-files/PA-15-147.html for details. Email: Kishena.Wadhwani@ahrq.hhs.gov
CFDA Number: 93.226
Contact: Kishena Wadhwani, Program Officer 301/427-1556

Program: Health Services Research Projects (R01)
Agency: Agency for Healthcare Research and Quality
Next Deadline: Jun 05, 2018
Supports ongoing extramural grant applications for research, demonstration, dissemination and evaluation projects to support improvements in health outcomes; improve decision-making; strengthen quality measurement and improvement; and improve access. All applications must fit within the current AHRQ research portfolio areas. Annual deadlines: 2/5, 6/5, 10/5 through 7/6/18. See http://grants.nih.gov/grants/guide/pa-files/PA-14-291.html
CFDA Number: 93.226
Contact: Varies by program area

Program: Large Research Projects for Prevention of Healthcare-Associated Infections
Agency: Agency for Healthcare Research and Quality
Next Deadline: Jun 05, 2018
Supports large Health Services Research Demonstration and Dissemination Projects (R18) and research (R01) focused on prevention, reduction, and effective management of healthcare-associated infections (HAIs)-infections acquired during the course of receiving treatment for other conditions within a healthcare setting. R18 awards support determination of clinical efficacy and effectiveness of preventive interventions, and assessment of relevant epidemiological aspects of HAIs. Annual deadlines: 2/5, 6/5, 10/5 through 3/6/21. See http://grants.nih.gov/grants/guide/pa-files/PA-17-008.html for R01 and R18 details. Email: james.cleeman@ahrq.hhs.gov

Program:  Mentored Research Scientist  
Research Career Development Award (K01)

Agency:  Agency for Healthcare Research and Quality

Next Deadline:  Jun 12, 2018
Supports research geared to prepare qualified individuals for careers that have a direct impact on the quality, safety, efficiency, equity, and effectiveness of health care for all. The K01 award supports "protected time" for applicants with a research doctoral degree for an intensive, supervised research career development experience in health services research. The award also helps to support research workforce diversity by providing enhanced research career development opportunities. Annual deadlines: 2/12, 6/12, 10/12 through 11/12/19. See http://grants.nih.gov/grants/guide/pa-files/PA-16-223.html for details. Email: Tamara.Willis@ahrq.hhs.gov

----------------------------------------

Program:  Research Grants

Agency:  Gerber Foundation

Next Deadline:  May 15, 2018
Supports nutrition-related interventions to improve infant health and development from first year before birth to age three. Projects should have a specific nutrition focus with defined outcome parameters. Of particular interest are projects with broad applicability to the general population offering a substantial promise of meaningful advances in prevention and treatment of diseases. Up to $350,000 available per award. Novice Researcher Award also available with up to $20,000 per project. Annual deadlines: 5/15, 11/15 for required concept papers; full proposals 2/15 and 8/15. See http://www.gerberfoundation.org/ for details. Email: tgf@gerberfoundation.org.

----------------------------------------
Program: Grants for Inclusion of Youth with Disabilities
Agency: Mitsubishi Electric America Foundation
Next Deadline: Jun 15, 2018
Supports projects that advance the independence, productivity and community inclusion of young people with disabilities. Projects should have broad scope and the potential for replication nationally. Applicants are urged to develop partnerships with other organizations and involve people with disabilities in planning and implementation. Grants range from $10,000 to $75,000 per year for one to three years. Annual deadline: concept papers are accepted from 4/1 to 6/15. Phone calls discouraged during application process. See http://www.meafoundation.org/how_to_apply/priorities_guidelines for details. Email: mea.foundation@meus.mea.com
CFDA Number: N/A
Contact: Program Office
703/276-8240

Program: Academic Research Enhancement Award (AREA) Program
Agency: National Institutes of Health
Next Deadline: Jun 25, 2018
Supports renewable awards (R15) up to $300,000 total for up to three years for projects in biomedical and behavioral sciences conducted by faculty and students from institutions that have not been major recipients of NIH funds. The goal is to strengthen institutional research environment and support active involvement of undergraduate (preferred) and graduate students in research. Applicants should pay attention to special R15 review considerations. Annual deadlines: 2/25, 6/25, 10/25 through 1/8/21. See https://grants.nih.gov/grants/pa-files/PA-18-504.html Email: michelle.timmerman@nih.gov

Contact: Michelle Timmerman, Acting Director, NIH Guide for Grants and Contracts

Program: Independent Scientist Award (K02)
Agency: National Institutes of Health
Next Deadline: Jun 12, 2018
Many, but not all, NIH institutes provide salary support for newly independent scientists who need a period of intensive research focus (K02) to enhance their careers. Some NIH Institutes and Centers may or may not require candidates to have an NIH research grant at time of application. Medical, dental, nursing schools, or IHEs apply on behalf of the candidates. Call before applying. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. Independent Clinical Trials are required. See http://grants.nih.gov/grants/pa-files/PA-18-370.html for details including contact information.
CFDA Number: 93.121
Contact: Contacts Vary
OER
Program: Mentored Clinical Scientist Research Career Development Award (K08)
Agency: National Institutes of Health
Next Deadline: Jun 12, 2018
Many NIH institutes support the career development of outstanding clinician research scientists. Goal is to provide specialized study (K08) for individuals with a health professional doctoral degree committed to a career in laboratory or field-based research. Candidates must have potential to develop into independent investigators. Not every NIH institute offers the K08 mechanism. It is suggested that applicants talk to NIH prior to submitting a proposal. Independent Clinical Trials are required. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PK-18-372.html for details.

CFDA Number: 93.121
Contact: Contacts Vary

Program: Mentored Quantitative Research Career Development Award (K25)
Agency: National Institutes of Health
Next Deadline: Jun 12, 2018
Many institutes support this program designed to promote the career development of investigators with quantitative scientific and engineering backgrounds outside of biology or medicine (e.g., mathematics, statistics, computer science, informatics, physics, chemistry, and engineering) who are committed to behavioral and biomedical research. This mechanism is aimed at research-oriented scientists at the junior faculty level. Candidates must name a mentor. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PK-18-395.html (Clinical Trial Required) and https://grants.nih.gov/grants/guide/pa-files/PK-18-396.html (No Clinical Trial) for details.

CFDA Number: 93.855
Contact: Contacts Vary

Program: Mentored Patient-Oriented Research Career Development Award (K23)
Agency: National Institutes of Health
Next Deadline: Jun 12, 2018
Most NIH institutes/centers support career development of investigators who focus their research efforts on patient-oriented research. Candidates must have a clinical degree or its equivalent. Doctorally prepared nurses, clinical psychologists, clinical geneticists, etc. may also apply. Provides support for five years of supervised study and research for clinically trained professionals who focus on patient-oriented research. Prospective candidates encouraged to contact relevant NIH staff for IC-specific programmatic budgetary information. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PK-18-374.html (Independent Clinical Trial Required) and https://grants.nih.gov/grants/guide/pa-files/PK-18-375.html (Independent Clinical Trial Not Allowed) for details.

CFDA Number: 93.855
Contact: Contacts Vary
301/451-4225

Program: Mentored Research Scientist Development Award (K01)
Agency: National Institutes of Health
Next Deadline: Jun 12, 2018
Supports beginning investigators who have a research doctorate and some postdoctoral research experience. Provides 3-5 years of nonrenewable support for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence. Competitive applications will contain a well-thought-out career development and research plan, a committed and capable mentor, and institutional commitment. Call before applying. Annual deadlines: 2/12, 6/12, 10/12 through 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PK-18-363.html for details.

Monday, March 12, 2018  

Deadlines Page 11 of 34
**Program:** NIH Small Research Grant Program (Parent R03)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 16, 2018

Not all NIH institutes support investigator-initiated, unsolicited, small grant research (R03) projects that can be carried out in a short period of time with limited resources. Supports different types of projects including pilot and feasibility studies; secondary analysis of existing data; self-contained research projects; development of research methodology; and development of new research technology. Direct costs limited to $100,000 over a two-year period, with no more than $50,000 in direct costs allowed in a single year. Annual deadlines: 2/16, 6/16, and 10/16 through 1/8/21. See http://grants.nih.gov/grants/guide/pa-files/PA-18-488.html for details.

**CFDA Number:** 93.242

**Contact:** Contacts Vary

**Program:** The Health of Sexual and Gender Minority (SGM) Populations (R15)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 25, 2018

This R15 program seeks to increase scientific understanding of the health status of diverse population groups and thereby improve the effectiveness of health interventions and services for individuals within sexual and gender minority (SGM) populations, including lesbian, gay, bisexual, transgender, and intersex populations. Basic, social, behavioral, clinical, and services research relevant to the missions of the sponsoring Institutes and Centers may be proposed. Annual deadlines: 2/25, 6/25, 10/25. Program expires 9/8/18. See http://grants.nih.gov/grants/guide/pa-files/PA-18-210.html for details.

**CFDA Number:** 93.865

**Contact:** Contacts vary by institute

**Program:** Academic-Industrial Partnerships to Translate and Validate in vivo Cancer Imaging Systems (R01 Clinical Trial Optional)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

This program is designed to stimulate translation of scientific discoveries and engineering developments in imaging or spectroscopic technologies into methods or tools that address problems in cancer biology, risk of cancer development, diagnosis, treatment, and/or disease status. The goals for proposed technologies are imaging applications in clinical trials, clinical research, non-clinical research, and/or patient care. Annual deadlines: 2/5, 6/5, 10/5 through 11/6/19. See https://grants.nih.gov/grants/guide/pa-files/PA-18-009.html for details. Email: bakerhou@mail.nih.gov

**CFDA Number:**

**Contact:** Houston Baker, Program Manager NCI 240/276-5908

**Program:** Basic Cancer Research in Cancer Health Disparities

**Agency:** National Institutes of Health

**Next Deadline:** Jun 19, 2018

This program encourages grant applications from investigators interested in conducting basic, mechanistic research into the biological/genetic causes of cancer health disparities. These research project grants will support innovative studies designed to investigate biological/genetic bases of cancer disparities, such as mechanistic studies of biological factors, including cancer prevention intervention strategies, and the development and testing of new methodologies. Annual deadlines: 6/18 and 11/19 through 11/20/20. See https://grants.nih.gov/grants/guide/pa-files/PA-18-654.html for details. Email: woodhousee@mail.nih.gov

**CFDA Number:** 93.279

**Contact:** Elizabeth Woodhouse, Program Officer NCI 240/276-6220
Program: Core Infrastructure and Methodological Research for Cancer Epidemiology
Agency: National Institutes of Health
Next Deadline: Jun 05, 2018
Invites grant applications (U01) for targeted infrastructure support of the core functions of Cancer Epidemiology Cohorts (CECs) and methodological research. Through this FOA, the National Cancer Institute (NCI) will support infrastructure and core functions for existing or new CECs. Annual deadlines: 2/5; 6/5; and 10/5. Program expires 5/8/20. See https://grants.nih.gov/grants/guide-pa-files/PAR-17-233.html for details. Email: joanne.elena@nih.gov

240/276-6941
---------------------------------------------------------------------

Program: Examination of Survivorship Care Planning Efficacy and Impact (R01)
Agency: National Institutes of Health
Next Deadline: Jun 05, 2018
Supports research to evaluate effects of care planning on cancer survivors' health and psychosocial outcomes. Specifically supports research to develop metrics for evaluating impact of survivorship care planning on cancer survivors' morbidity and self-management that promotes effective survivorship care planning. Goal is to generate information on the development and delivery of interventions and best practices in follow-up care for cancer survivors. Annual deadlines: 2/5, 6/5, 10/5. Expires 1/8/19. Optional companion funding is available. See http://grants.nih.gov/grants/guide-pa-files/PAR-02.html for details. Email: demoorjs@mail.nih.gov

**Program:**  Mentored Clinical Scientist Research Career Development Award to Promote Diversity (K08)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 12, 2018

The purpose is to prepare individuals for careers that have a significant impact on the health-related research needs of the nation. This program provides support and protected time to individuals with a clinical doctoral degree for an intensive, supervised research experience in the fields of biomedical and behavioral research, including translational research. Offers two versions—with and without clinical trials. Annual deadlines: 2/12, 6/12, 10/12. Program expires 1/8/21. See https://grants.nih.gov/grants/guide/pa-files/PAR-18-336.html for details. Email: ojeifejo@mail.nih.gov

**Contact:**  John Ojeifejo, Program Officer  NCI 240/276-6186

---

**Program:**  Research Answers to NCI's Provocative Questions (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 28, 2018

Supports research projects designed to solve specific problems and paradoxes in cancer research identified by NCI Provocative Questions initiative. These problems are not intended to represent the full range of NCI's priorities in cancer research. Rather, they are meant to challenge cancer researchers to think about and elucidate specific problems in key areas of cancer research that are deemed important but have not received sufficient attention. LOI due 30 days prior to application due date. Annual deadlines: 6/28 and 10/30. Expires 10/31/18. See https://grants.nih.gov/grants/guide/rfa-files/RFA-CA-18-019.html for details. Optional companion funding is available. Email: greenspanj@mail.nih.gov

**Program:**  Ethical, Legal, and Social Implications (ELSI) of Genomic Research (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

Several institutes support research that identifies, examines and addresses the ethical, legal and social implications of advances in genomic research and technology for individuals, families, communities and society more broadly. Of particular interest are projects that propose focused legal, economic, philosophical or historical analyses of new or emerging issues. Annual deadlines: 2/5, 6/5, 10/5 through 9/8/20. See https://grants.nih.gov/grants/guide/pa-files/PA-17-444.html for details.

**Program:**  Strategies to Increase Delivery of Guideline-Based Care (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 21, 2018

This program requests applications to conduct innovative and feasible studies to test strategies to accelerate the adoption of guideline-based recommendations into clinical practice among populations with health disparities. Applications that propose strategies for providers who care for clinical populations with cardiovascular, lung, blood, and sleep diseases and disorders, in concert with the health care delivery systems in which they practice, are strongly encouraged. Letter of intent due 30 days prior to application due date. Annual deadlines: 6/21. Program expires 6/22/18. See https://grants.nih.gov/grants/guide/pa-files/PAR-18-133.html for details. ---
**Program:** Advancing the Science of Geriatric Palliative Care (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

Supports research focused on palliative care in geriatric populations with an emphasis on studies in a variety of settings including ambulatory care, hospitals (and specific sites within hospitals including specialty wards, intensive care units and emergency departments), assisted living facilities, and short- and long-term care facilities. Note: hospice and end-of-life settings are not included. Annual deadlines: 2/5, 6/5, and 10/5 through 5/8/20. Optional companion funding is available. **Program:** Epidemiology and Prevention in Alcohol Research (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

Supports research investigating the epidemiology of alcohol use, alcohol-related harms, and alcohol use disorders and the prevention of underage drinking, alcohol-related harms, and alcohol use disorders. Research findings on the rates, developmental patterns, and risk and protective factors of alcohol use and alcohol-related problems will provide a scientific basis for the development of more effective prevention strategies. Annual deadlines: 2/5, 6/5, 10/5 through 5/8/20. Optional companion funding is available. See https://grants.nih.gov/grants/guide/pa-files/PA-18-390.html for R01 details. Email: mscott@mail.nih.gov

**Program:** Health Promotion Among Racial and Ethnic Minority Males (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

NINR and NIDDK support projects that propose to stimulate and expand research in the health of minority men. Specific interests are to enhance understanding of the numerous factors influencing the health promoting behaviors of racial and ethnic minority males and their subpopulations age 21 and older across the life cycle; and focus on development and testing of culturally and linguistically appropriate health-promoting interventions. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/20. Optional companion funding is available. See http://grants.nih.gov/grants/guide/pa-files/PA-18-144.html for details. Email: mary.roary@nih.gov

---

**Program:** Environmental Exposures and Health: Exploration of Non-Traditional Settings (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

NINR and NIEHS support research to promote health, limit symptoms and disease and reduce health disparities in children and older adults living or spending time in non-traditional settings (e.g., community centers, churches, daycare, home-based schools, or dormitories). These settings result in exposure to environmental pollutants that result in health risks, such as lower respiratory diseases, chronic obstructive pulmonary disease, and cardiovascular diseases. Annual deadlines: 2/5, 6/5, 10/5 through 9/8/19. See http://grants.nih.gov/grants/guide/pa-files/PA-18-142.html for details. Email: mary.roary@nih.gov

**Program:** Mechanisms, Models, Measurement and Management in Pain Research (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

Supports the pain research interests of the various Institutes and Centers (ICs) and stimulates and fosters a wide range of basic, clinical, and translational studies on pain. New advances are needed in every area of pain research, from the micro perspective of molecular sciences to the macro perspective of behavioral and social sciences. Research to address these issues conducted by interdisciplinary and multidisciplinary research teams is strongly encouraged, as is research from underrepresented PIs. Companion funding available. Annual deadlines: 2/5, 6/5, 10/5. Expires 5/8/19. See http://grants.nih.gov/grants/guide/pa-files/PA-18-141.html for details.

NINR
**Program:** mHealth Tools to Promote Effective Patient-Provider Communication (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

NINR, NICHD and the Office of Dietary Supplements support research using Mobile Health (mHealth) tools aimed at improving the effective patient-provider communication, and treatment and self-management of chronic diseases in underserved populations. Using Smartphone technologies, it is possible to transmit patient data digitally from remote areas to specialists in urban areas, as well as receive real-time feedback. Companion funding available. Annual deadlines: 2/5, 6/5, 10/5. Expires 1/8/21. See [http://grants.nih.gov/grants-guide/pa-files/PA-18-386.html](http://grants.nih.gov/grants-guide/pa-files/PA-18-386.html) for details. **Program:** Obesity and Asthma: Awareness and Self-Management (R01)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 05, 2018

Program aims to stimulate research to examine the relationship between asthma, obesity and self-management. Studies that investigate molecular pathways linking asthma and obesity are encouraged as long as the studies describe how this relates to self-management. In addition, intervention studies targeting asthma or obesity and their effects on each other, and possible mechanisms of action and effect on behavior, are encouraged. Annual deadlines: 2/5, 6/5, 10/5 through 1/8/21. See [http://grants.nih.gov/grants-guide/pa-files/PA-18-379.html](http://grants.nih.gov/grants-guide/pa-files/PA-18-379.html) for details. **Program:** Self-Management for Health in Chronic Conditions (R21)

**Agency:** National Institutes of Health

**Next Deadline:** Jun 16, 2018

The purpose of this initiative is to support research in self-management focused across conditions. A recent report from the Institute of Medicine (IOM) identifies the epidemic of chronic condition as the nation’s leading health challenge and calls for cross-cutting, coordinated public health actions for living well with chronic illness. Annual deadlines: 2/16, 6/16, 10/16. Program expires 1/8/21. See [https://grants.nih.gov/grants-guide/pa-files/PA-18-384.html](https://grants.nih.gov/grants-guide/pa-files/PA-18-384.html) for details. Email: husk@mail.nih.gov

Deadlines Page 24 of 34
Program: Grant Programs
Agency: Orthopaedic Research and Education Foundation

Next Deadline: May 04, 2018
Supports independent, peer-reviewed musculoskeletal research and education that orthopaedic surgeons can apply in daily practice. A wide range of programs that impact orthopaedic practice. Individual grants and awards support investigators and educators that range from $5,000 for one year up to $300,000 over three years. Currently accepting applications for the Research Specific Grants (LOIs for Surgical Skills Simulation Training for Residents Research are due 3/28/18; applications are due 5/31/18) and Investigator Initiated Grants (Resident Research Project applications are due 5/4/18). Program: PCORI Opportunities (Various)
Agency: Patient-Centered Outcomes Research Institute

Next Deadline: Jun 01, 2018
Supports research studies that compare the effectiveness of two or more strategies prevention, treatment, screening, diagnosis or management that have not been adequately studied against alternative options. Topics are not limited to medical or surgical therapy and may include a range of strategies including self-care. Emphasis is on studies conducted in typical clinical populations considering the full range of patient-centered outcomes. Opportunities include, but are not limited to the Engagement Award: Capacity Building (LOIs are due 6/1/18; applications are due 40 days after review and approval of the LOI), Conference Support (applications are due 6/1/18), and Dissemination Initiatives (applications are due 6/1/18). **Program:** International Travel Grants  
**Agency:** American Astronomical Society  
**Next Deadline:** Jun 08, 2018  
Provides funding for airline travel for individuals at U.S. institutions to travel to international science meetings, and contemporaneous symposia. Grants are targeted for (in priority order) early-career scientists, scientists from smaller institutions or from under-served populations, or for scientists whose participation at the meeting is important for U.S. visibility. Funds may not be requested for any AAS or AAS divisional meeting. June deadline is for meetings between 9/1/19-2/28/19. See https://aas.org/grants-and-prizes/international-travel-grants for details. **Program:** Grants Program  
**Agency:** Environmental Research and Education Foundation  
**Next Deadline:** Jun 01, 2018  
Supports research and education on solid waste management, greater sustainability, environmental stewardship, efficiency and increased knowledge. Solicited proposals must respond to annual research agendas. Focus areas include: waste minimization; recycling; waste conversion to energy, biofuels, chemicals or other useful products; strategies to promote diversion to higher and better uses; and landfilling. Funds projects averaging $160,000. Annual deadlines: 1/6, 6/1 for required pre-proposal. See https://erefdn.org/research-grants-projects/how-to-apply-for-grant/ for details. **Program:** Established Program to Stimulate Competitive Research (EPSCoR)  
**Agency:** National Aeronautics and Space Administration  
**Next Deadline:** Jun 05, 2018  
Program targets states of modest research infrastructure and provides funds to develop a more competitive research base within their member academic institutions. Proposals will also contribute to the overall research infrastructure, science and technology capabilities, higher education, and/or economic development of the EPSCoR jurisdiction. NASA invests $125,000 per state annually. Awards have a 1:1 matching funds requirement. Eligibility is limited to 28 states and Puerto Rico. See http://www.nasa.gov/offices/education/programs/national/epscor/home/index.html or https://tinyurl.com/yccm5ez9 for updates. Email: jeppie.r.compton@nasa.gov

Program: Smart and Connected Health
Agency: National Science Foundation
Next Deadline: May 22, 2018
Supports research to develop next generation health care solutions and encourage existing and new research communities to focus on breakthrough ideas in a variety of areas of value to health, such as networking, pervasive computing, advanced analytics, sensor integration, privacy and security, modeling of socio-behavioral and cognitive processes and system and process modeling. Funds support projects working within constraints arising from clinical/medical needs, barriers to change, heterogeneity of data, semantic mismatch and limitations of current cyberphysical systems and an aging population. Annual Deadline: 12/11. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=504739 for details. Email: wnilsen@nsf.gov

Program: Cyber-Physical Systems (CPS)
Agency: National Science Foundation
Next Deadline: May 09, 2018
Supports the development of the core system science needed to engineer complex cyber-physical systems (CPS) that people can use or interact with and depend upon. The program aims to foster a research community committed to advancing research and education in CPS and to transitioning CPS science and technology into engineering practice. Funds support small, medium, and Frontier projects. Proposal window: 4/27/18-5/9/18. See http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=503286 for details. Email: dcorman@nsf.gov

**Program:** Perception, Action, and Cognition  
**Agency:** National Science Foundation  
**Next Deadline:** June 15, 2018  
Supports research on perception, action and cognition, with emphasis on research strongly grounded in theory. Topics include vision, audition, haptics, attention, memory, reasoning, written and spoken discourse, motor control and developmental issues. Program encompasses a range of theoretical perspectives, such as symbolic computation, connectionism, ecological, nonlinear dynamics and complex systems. Annual deadlines: workshop and conference proposal windows close 6/15; research proposal windows close 2/1, 8/1. See http://tinyurl.com/znfndu for details. Email: btuller@nsf.gov

Program: Small Business Innovation Research
           (SBIR) Program
Agency: U.S. Department of Defense
Next Deadline: May 22, 2018
Program funds early-stage R&D at small
technology companies and is designed to
stimulate technological innovation; increase private
sector commercialization of federal R&D; increase
small business participation in federally funded
R&D; and foster participation by minority and
disadvantaged firms in technological innovation.
IHEs may partner. Deadlines refer to Army, Navy,
and Air Force SBIR solicitations. Next pre-release
expected 4/20/18. See
Email: SBIRHelp@btrc.com

<td>Supports early-stage research and development conducted by small companies working cooperatively with academic and other researchers, who must be responsible for at least 30 percent of the project. Six DoD components participate: Army, Navy, Air Force, Defense Advanced Research Projects Agency, Ballistic Missile Defense Organization, and Office of the Secretary. Air Force and Army solicitations do not require Phase I award before applying to Phase II solicitation. <td>Supports part of a graduate student’s thesis research to be conducted at a DOE laboratory/facility. Students must be conducting basic research in one of the following broad areas: Advanced Scientific Computing Research; Basic Energy Sciences; Biological and Environmental Research; Fusion Energy Sciences; High Energy Physics; and Nuclear Physics. Awardees are eligible to receive a monthly stipend of up to $3,000 for general living expenses. The program does not provide additional support for supplies, materials, or travel. See solicitation for specific focus areas under the broad topic areas. See <a href="http://science.energy.gov/npd/sgr/">http://science.energy.gov/npd/sgr/</a> for updates. <tr>
<td>Program encourages undergraduate students to pursue STEM careers by providing research experiences at DOE National Laboratories. Interns perform research, guided by laboratory staff, on projects related to ongoing programs. Appointments are for 10 weeks in the summer, 16 weeks in the spring and fall. Each DOE laboratory/facility offers different research opportunities; not all DOE laboratories/facilities offer internships during the Fall and Spring Terms. Applications for Fall 2018 term due 5/30/18. See <a href="http://science.energy.gov/npd/sulii/">http://science.energy.gov/npd/sulii/</a> for updates. Program: Pollution Prevention (P2) Grant Program
Agency: U.S. Environmental Protection Agency
Next Deadline: Apr 26, 2018
Provides matching funds to support two-year projects from state colleges/universities and federally recognized tribes that address reduction or elimination of pollution across all environmental media (air, land, and water) and strengthen efficiency and effectiveness of state technical assistance programs in providing source reduction information to businesses. Funds also support efforts to identify, develop, document and share pollution prevention best management practices and innovations. Applicants encouraged to establish partnerships with businesses and environmental assistance providers. A 50 percent match is required. See http://www.epa.gov/p2/grant-programs-pollution-prevention for updates.
