

# Deadlines

*from the Grants Resource Center*

September 11, 2017

This publication includes deadline dates for the month of December 2017 and late announcements for the months of November 2017 and October 2017. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

**Those deadlines marked by an asterisk (\*\*\*) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.**

**Program:** Bay Watershed Education and Training (B-WET)

**Agency:** U.S. Department of Commerce

**Next Deadline:** Nov 03, 2017

B-WET promotes locally relevant, experiential learning in the K-12 environment. The delivery of B-WET occurs primarily through competitive funding that promotes Meaningful Watershed Educational Experiences (MWEES). The program is national in scope with seven regional programs: Gulf of Mexico (11/3/17), California (TBD), Chesapeake Bay (TBD), Great Lakes (TBD), Hawaii (TBD), New England (TBD), and the Pacific Northwest (TBD). **Program:** Marine Debris Removal

**Agency:** U.S. Department of Commerce

**Next Deadline:** Nov 01, 2017

Notice seeking applications to create long-term, quantifiable ecological habitat improvements for National Oceanic and Atmospheric Administration resources through on-the-ground marine debris removal activities, with priority for those targeting derelict fishing gear and other medium- and large-scale debris. Funds support projects in the marine environment or the Great Lakes. Projects should also foster awareness of the effects of marine debris to further conservation of living marine resource habitats, and contribute to the understanding of marine debris composition, distribution and impacts. Cost-sharing is required. See <https://marinedebris.noaa.gov/> for details. Email: [tom.barry@noaa.gov](mailto:tom.barry@noaa.gov)
