This publication includes deadline dates for the month of April 2018 and late announcements for the months of March 2018 and February 2018. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information.

Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected. Deadlines marked by a double plus sign (++) are target dates.

Program: Policy Fellowships
Agency: Society for Research in Child Development
Next Deadline: Apr 30, 2018
Supports two fellowship programs for child development researchers. Both fellowships provide opportunities for researchers to come to Washington, DC and use developmental science outside of the academic setting to inform public policy. These Fellowships are open to doctoral scientists from any discipline relevant to child development, and both early and mid-career professionals are encouraged to apply. Applicants must be members of SRCD. Fellowships include both Congressional and Executive Branch fellowships. Grants include: Patrice L. Engle Dissertation Grant (due 4/30/18); and the Victoria S. Levin Grant. See https://www.srcd.org/policy-media
