IBC CITI Training Requirements for Faculty, Staff, Students

Once you have created your account with CITI and affiliated with Kennesaw State University [KSU], please ensure that you have enrolled in the proper course. The following information will assist you in making that determination. If you are still unsure after reviewing the information below, please contact the Office of Research Compliance at researchcomp@kennesaw.edu.

1. Go to https://about.citiprogram.org/en/homepage/. If you already have a login, skip to item 24.
2. Click on the Register button on the top right of the page.
3. Enter “Kennesaw State University” in the “Select Your Organization Affiliation” search box.
4. Click the box to “Agree to the Terms of Service”.
5. Click “Continue to Step 2”.
6. Enter your information in the appropriate boxes. You can include a personal email as either the primary or the secondary option. We suggest you use your KSU email for at least one.
7. Click “Continue to Step 3”.
8. Follow the on-screen instructions to create a Username and Password. For security purposes do NOT use your KSU NetID and password on this website.
9. Select a security question and answer.
10. Click “Continue to Step 4”.
11. Please enter your Country of Residence.
12. Click “Continue to Step 5”.
13. KSU’s Office of Research Compliance does not require that you maintain CE Credits; however, if you choose “Yes” as your answer you will have the ability to request and personally pay for those credits later if you decide you need them. Choosing “Yes” does not obligate you in any way; it only makes them accessible to you.
14. You may choose to allow CITI Program to contact you to participate in a research survey, but a “Yes” answer is not required by KSU.
15. Click “Continue to Step 6”.
16. For “Institutional email address” enter your official KSU email address, [NetID]@kennesaw.edu or [NetID]@students.kennesaw.edu. Do not use any aliases you may have set up for your KSU email. This address must match our user database for the Cayuse Research Suite to sync your training with Cayuse.
17. Fill in the required answer to “Highest degree.”
18. Select the role that best describes you under “Primary research role.”
19. Click the drop-down box for “Which course do you plan to take first?” and select the Basic Introduction to Biosafety/Initial Biosafety Training course. You can add courses as needed.
after you have created your profile.

20. Click “Continue to Step 7.”

21. In the course selection list, check the box next to “Biosafety/Biosecurity Training.” You may also select any additional courses you need at this time.

22. Click “Next” at the bottom. You will see follow-up questions (shown below). Select the "Initial Biosafety Training."

23. Click “Next” at the bottom of each question page, adding any other necessary courses based on your research program. If you are an IBC member, you can add your committee training on one of these screens. If you have chosen any other course additions, you might see additional follow up questions. After the questionnaire is complete you will return to your list of courses.

If you already have a CITI account:

24. Log in to your CITI account.

25. Navigate to “Courses” along the top menu.

26. Scroll to the bottom of the page.

27. Within the “Learner Tools” box, click “Add a Course.”

28. In the course selection list, check the box next to “Biosafety/Biosecurity Training.” You may also select any additional courses you need at this time.

29. Click “Next” at the bottom. You will see follow-up questions (shown below). Select the "Initial Biosafety Training."

30. Click “Next” at the bottom of each question page, adding any other necessary courses based on your research program. If you are an IBC member, you can add your committee training on one of these screens. If you have chosen any other course additions, you might see additional follow up questions. After the questionnaire is complete you will return to your list of courses.
