APPLY TODAY TO PRESENT AT THE SYMPOSIUM OF STUDENT SCHOLARS ON APRIL 16, 2020!

The annual university-wide conference (to be held virtually this year) will showcase student research and scholarship conducted at KSU during the past academic year.

- The event is open to ALL KSU students, undergraduate and graduate students, in ANY discipline.
- Students should submit abstracts based on the work completed thus far. It is not necessary for projects to be finished for inclusion.
- Presentations will be hosted through Microsoft Teams, an easy-to-use “meeting” platform, giving virtual presenters and attendees an opportunity to network and learn about each other’s work.
- Prizes will be awarded for best presentations by undergraduate and graduate students.
